

Housing Production Plans: What's New, What Communities Can Do.

This training is for consultants and municipal planners involved with Housing Production Plans (HPP). Topics will include an overview of HPP requirements under the new regulation, changes from the former Planned Production and different community-initiated strategies designed to increase the affordable housing stock. We will conclude with a dialogue on best practices from your experience.

Wednesday December 17, 2008

10:00 a.m. — 12:00 p.m.

Department of Housing and Community Development

2nd Floor Conference Room D

100 Cambridge Street

Boston
